The Only Compact Multi-Tool

The Retractable 5th Wheel Pin Puller doubles as a tire thumper too. The shock proof rubber grip keeps the tool closed when needed and is a comfortable grip for checking tires. The tool can be used to grab load tarps to pull them in place, can break ice from 7 ways and glad hands in the winter weather. Can be used to pull bogie pins to slide the bogie for different loads. The only tool a driver needs to do the job easily and safely on a daily basis.
