# Brake Stroke Light Indicator

Call us today at 1-844-677-9622

- Visual indication of brake stroke adjustment and other brake component issues
- Heavy Duty weather and dust proof switch
- Mounts on maxi stud further away from tires
- Protected from road debris by the maxi chamber and slack adjusters
- Cost effective
- Works on any vehicles with maxi chamber and slack adjusters
- Estimated installation time: 1/2 hr per axle

**PLEASE NOTE:** Switches are powered by ground wire to avoid corrosion issues
